. What's this? KUF is coming to Steam!. Steam Store Page.. THE CRUSADERS. The Battle for the South! The Byzantines face a rising tide of enemies from all sides. In this collection of original stories written by award-winning fantasy author. Approximately one year ago, acclaimed independent developer Magenta Games announced its new RPG, Kingdom Under Fire. A little over a month ago, Steam Early Access launched the game on the Valve's store, allowing the community to check out the game and provide feedback. After last week's update, the game is in its final stages of development. The launch of Kingdom Under Fire: The Crusaders HD on Steam is now official! The Crusaders is an expansion for the popular PC fantasy action-strategy RPG, Kingdom Under Fire. The Crusaders introduces a new set of characters, new story missions, new mini-games and skill upgrades, as well as new items. In this new adventure, players will help the embattled Byzantine Empire fight against a new

---

threat – the Saracens. In this new set of missions, players will battle against the Saracen invasion as they fight to protect the northern coast of Anatolia against the fearsome troops of the Sultan. This game is free to download and play, but players can choose to pay real money for some in-game items. If you do pay for such items with real money, it will not increase your total amount of currency or points, nor will it grant you any advantages in the game. The Crusader's Collection for PC is available for \$19.99, and includes the following content: Take on the role of a knight and wield a wide variety of weapons as you charge into the mountains to halt a Saracen invasion. Fight your way across the countryside as you complete missions, defeat enemies and increase your skill as you gain experience. -Become a knight and improve your abilities through a series of challenge and story missions. -Challenge missions consist of four different types: Troop Rush, Point Defense, Territory Control, and Special Operations. -Fight your way across a procedurally generated map, complete with a variety of enemies and objectives, and fight for your own army of soldiers. -Harness the awesome power of your knight, the strongest and most powerful weapon in the land, and defeat opponents using a wide array of weaponry. -Missions will be available in 82157476af
